

FREELANCE GRAPHIC DESIGN

StartUs is Europe's leading startup and innovation network on a mission to connect the European startup community.

We are looking for a designer from Lviv to work together with our team in Vienna on pushing the design of **StartUs.cc** and **StartUs Magazine** forward.

📍 Lviv, Ukraine (remote)

ABOUT YOU:

- advanced in English (working language)
- strong skills in Photoshop and Illustrator
- portfolio/references to your previous design work
- communicative & team player
- basic understanding of CSS and HTML is beneficial

YOUR MISSION:

- create awesome visuals and infographics for StartUs Magazine
- design mockups for pages on StartUs.cc and StartUs Magazine
- support of our marketing team in creating visuals for social media campaigns
- initiate ideas and projects to further develop design of our pages and products

WHAT YOU GET IN RETURN:

- work directly with our team in Vienna and Lviv in a creative, structured and inspired environment
- extend your portfolio by working with Europe's leading startup and innovation network
- create visuals which will be seen by hundred-thousands of startups enthusiasts
- flexible working hours with workload of 10-20 hours per week
