

STARTUP DESIGN INTERN

📍 Vienna, Austria

StartUs is Europe's leading startup and innovation network on a mission to connect the European startup community.

We are looking for a motivated designer on the start of her/his career, to work together with our team in Vienna on pushing the design of [StartUs.cc](#) and [StartUs Magazine](#) forward.

ABOUT YOU:

- advanced in English
- skills in Photoshop and Illustrator
- very motivated and eager to gain startup experience
- communicative & team player

YOUR MISSION:

- initiate ideas and projects to further evolve the design of StartUs
- create awesome visuals and [infographics](#) for [StartUs Magazine](#)
- design mockups for pages on [StartUs.cc](#) and [StartUs Magazine](#)
- interact with our marketing team in creating visuals for social media campaigns

WHAT YOU GET IN RETURN:

- get hands-on experience in graphic design
- extend your portfolio by working with Europe's leading startup and innovation network
- become a part of a collaborative team you'll enjoy working with
- work in the office in the centre of Vienna, next to Westbahnhof
- go through our internship period (e.g. Pflichtpraktikum) with the possibility of further employment
