

HUB REPORTER

You are passionate about entrepreneurship & want to share the stories of startups in your European city?

Join [StartUs Magazine](#) & become the voice of your hub!

What you'll bring in:

- knowledge of your local startup scene
- curiosity for developing stories
- your own way with words
- your own ideas to bring the Magazine further ahead

What you'll do:

- write about the most exciting things happening in your hub: from newly opened accelerators & incubators, up and coming startups to news about investments
- promote yourself as an author & give your local startup community a voice on a European level
- work remotely as part of a team of 100+ hub reporters
- contribute 3-4 articles per month on a voluntary basis & get constant feedback from our Editor in Chief

What you'll get in return:

- get recognition as an [opinion leader](#) in the startup community
- have your stories read by an audience of 20.000+ startup enthusiasts monthly
- get your articles promoted by [StartUs](#) & [StartUs Magazine](#), reaching 400.000+ people every month
- improve your content creation skills and [boost your personal network](#)
- actively [shape & connect](#) the European startup community

Apply now & let's build the European startup community together!
